

Love. Hope. Try!

Dear

Love & Hope Children's Home in El Salvador was established in 2003. Since that time, Love and Hope has provided food, shelter, safety, education, and love to over 30 children. They care for orphaned, abused, abandoned and neglected children by sharing the love of Jesus in a family setting.

I am participating in their first ever **Love. Hope. Try.** fundraiser. The event is a *Try-a-thon* which will be held over memorial day weekend. Participants will choose an activity to try and then ask people to support them by donating to Love and Hope Children's Home. I will be *trying* to:

Would you consider supporting me by donating _____ to the Love and Hope Education Fund when I reach my goal? You can make your donation by visiting www.loveandhopechildrenshome.com and clicking "Donate", or by sending a donation to:

AME International
PO Box 670631
Northfield, OH 44067

Just write "Try-a-thon" in the memo line.

If you would also like to participate in the Try-a-thon, you can visit the Love and Hope Facebook page for more details.
